RE: UPDATED BUS SCHEDULE

To Parents/Guardians:

School District staff has worked diligently with representatives from our busing services provider to resolve the challenges created by the unexpected increase in ridership needs across the Hazelton region this September. We sincerely appreciate your patience in this regard, and apologize for any inconveniences this may have caused.

Please find an updated bus schedule attached. Carefully review your child's/children's morning and afternoon stop times as they may have changed. These revised times will be effective Monday, September 25, 2017.

In addition, we would like to take this opportunity to remind families whose children require busing services to ensure that the 2017-2018 Bus Registration Form that was issued last school year is completed and submitted to their School Principal. Should you require further information or assistance, please contact your School Principal.

Sincerely yours,

Travis Elwood
Director of Facility Services
